Surveyor Genl. Office  
Cincinnati Feb 20. 1834

For reply to some letters of the 11<sup>th</sup> rec<sup>d</sup> at this office  
yesterday, I give you the foregoing diagram of  
tract in. 20. (west part) and of St. Paul sec. 25.  
of Town 3<sup>d</sup> N. of Ranges 3 & 4. W. 2<sup>d</sup> Mer. with  
their contents as shown by the Records.

I have attempted to recalculate the contents of  
these fractions from the original notes, but find the  
Survey thereof has been so loosely made and re-  
turned that it is impracticable to make an ac-  
curate calculations of the quantity of land contained.

The contents as stated on the plats must, without  
doubt, have been assumed.
